Cards for Seniors: The children will create open-ended pictures and cards for the seniors at Gables/Brooksdale. It is our way to spread a little happiness in our community. They will be delivered Monday 2/14/22.

Community Spirit Week:

- **Shades of Red:** Children and teachers will investigate red by wearing different red clothing. Teachers will plan open-ended activities to get their children investigating shades of red.
- **Work Together Snow Sculptures Day-** CCB children and staff are going to work together to create snow sculptures on our playground. We will add a touch of color and creativity to our playgrounds.
- **Virtual Story Time –** Reading aloud to children helps them develop essential competencies to become skilled readers later on. We have recorded some of our CCB staff reading familiar and favorite books so the children can see familiar faces and hear familiar voices outside of school. Sit back and enjoy the virtual experience. Look for an email with the link for the Story Time during our Community Spirit Week.
- **Virtual Community Puppet Show:** Deb, our CCB puppeteer, has delighted us with a new Fifi and Wrinkles Community story which have capture the attention of CCB children for years. Look for an email with the link for the puppet show during our Community Spirit Week.
- **Virtual Family Sing-a-Long:** The Submarine School of Music, our music specialist that your children enjoy every week, are going to record a seasonal Sing-a-Long for you to enjoy with your children at home whenever is convenient for you. A link will be sent to you via email during our Community Spirit Week.
