

COVID – 19 PRACTICES

DROP OFF/PICK UP

- One person/family in the front foyer
- Alternate pick up people check in at the front office, may go to the room for pickup
- Booties or no street shoes in infant rooms
- Attestation or sign off and temp check for all entering building
- COVID screening and tracking completed by drop off and pick up person

CLASSROOM CHANGES

- Auxiliary spaces used by one room at a time
- No unnecessary combining of classrooms
- Snacks/lunches served to the children; no family style serving
- COVID screening and tracking completed upon arrival/departure in rooms
- Gloves worn for ALL diaper changes

CLEANING/DISINFECTING/SANITIZING

- Sanitizing for all commonly touched surfaces throughout the day using disinfecting wipes
- Infant buggies disinfected between use
- After hours cleaning company disinfecting floors and spraying air
- Staff cleaning daily
- Frequent handwashing of the children
- Daily cleaning checklist, for staff and cleaning company to ensure completion

ILLNESS

- SHCU closed for caring for ill children
- Children excluded from room at temperatures of 100.4
- 24 hours, symptom and medication free to return to CCB unless diagnosed by Dr. and approved to return
- Temperature checks, for children, completed daily throughout the day by nurse
- Thermometers available in front hallways of CCB1 and CCB2
- COVID response plan in place if needed
- Health screening for all children getting on a school bus from CCB and returning by school bus to CCB.

REPORTING

- Staff vaccination and booster **STRONGLY** encouraged. Vaccination status is noted, but not recorded.
- Unvaccinated staff are required to administer a weekly COVID self test, on site, ½ hour prior to first day of weekly work schedule – waiting for results.
- Parents and staff members are required to report to CCB a positive COVID test. Positive results requested from a rapid test require a PCR within 48 hours.
- Positive COVID cases, resulting in a Center exposure, will be reported to NY State Department of Health, Monroe County Department of Health, OCFS and any affected parents and staff.

MASKS

- Masks worn by vaccinated staff while indoors

- Unvaccinated staff are required to double mask both indoors and outdoors
- Masking for children is optional; decision is made by the parents
- Visitors will wear masks
- Parents and alternate pick up people will wear masks

GATHERINGS

- Reduced congregation of staff regardless of vaccination status.
- Staff maintain 6 feet separation, unmasked on breaks or lunch
- Family functions will be determined based upon COVID climate
- Group meetings, space and location will be determined based upon COVID climate
