Class Photo Day: Alec, from Ultimate Images, will be taking a group photo of your child in his/her class on Wednesday April 13th. Times will be posted on the classroom "Parent Board". If your child does not attend class on the day of your class' photo, we invite you to come in and join us for the photo at the room's designated date and time. Look for a class photo order form in your child's cubby soon.

Week of the Young Child:

4/11 Music Monday: Let's make some music! Children and teachers will create homemade instruments for their music and movement learning centers. It will be a lot of fun to create egg shakers with loud and quiet materials, drums out of old coffee cans, shaker bottles and rubberband banjos.

4/12 Tasty Taco Tuesday: The lunch menu will feature tacos for everyone. YUM!!!

4/13 Work Together Wednesday: Let's build. The common areas of CCB will have materials to build together. *When children build together they experience teamwork and develop their social and early literacy skills. Grab some materials and create! NAEYC*

4/14 Artsy Thursday: Chalk Cheer!!! Children and teachers will create inspiring messages and bright beautiful pictures on sidewalks and playgrounds to spread a little happiness. Classrooms will also experience **PURPLE** process art. Purple is the advocacy color for Early Childhood.

4/15 Family Friday: Let's grow together! At CCB, the children will make plantable seed paper with Marie, a CCB coach. Then they will be able to bring their creation home to plant with their family!

Earth Day Celebration: Classrooms will have opportunities to visit with some Mighty Machines on April 22nd that help keep our earth clean. A schedule will be provided to rooms.
