Welcome Spring Fun Week:

-  **Rainbow Process Art** - Teachers will plan open-ended art experiences for children to create with the colors of the rainbow (ROYGBIV).
-  **First Day of SPRING: Wear Rainbows** – We encourage teachers and children to wear a rainbow of colors to welcome Spring 😊.
-  **Stuffy Pal Picnic** – Teachers and children are encouraged to bring in their favorite stuffy pal to eat afternoon snack picnic style in the classroom.
-  **Mud Play/Painting** - The chemistry of MUD – Mixing water and dirt (soil or sand) creates MUD. Mud can be used for mixing, stirring, whisking, scooping, molding, patting, smoothing, splatting, measuring, painting, sharing and much more. Teachers will plan age appropriate mud play in classrooms.
-  **Rainbow Science** – Teachers will plan fun rainbow science activities that are age-appropriate to their class. Our scientific brains will say...“I wonder. What if? Let’s try!”

CCB Scholastic Book Fair: Join us March 26th – 28th from 7:30 – 9:00 AM or 3:45 – 5:30 PM in the CCB2 Gym to purchase books to add to your home library.
